11. Voting through electronic means:

 Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting will be provided by CDSL.

- II. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.supertex.in. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e.www.evotingindia.com.
- III. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
- IV. Mr. Vikas Chomal of M/s Vikas R. Chomal and Associates, Practicing Company Secretaries has been appointed as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-voting process in a fair and transparent manner.
- V. The process and manner for remote e-voting is as under:

The instructions for shareholders voting electronically are as under:

- **Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- **Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on Tuesday, 27th September, 2022 at 9.00 am and ends on Thursday, 29th September, 2022 at 5.00 pm. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 22nd September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholder's/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above aid SEBI Circular, Login methods for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL-ECONOMIC OVERVIEW

The global economy recovered strongly in 2021 after the decline in 2020 due to the pandemic. Despite a recovery in output and trade, there have been few disruptions which have caused economic uncertainties in the short run in 2022. The pandemic is still not over and there is a renewed surge in COVID-19 cases in advanced economies. Moreover, the ongoing geopolitical conflict between Ukraine and Russia is also having a significant impact on global GDP growth prospects in 2022. Further the supply side disruptions and rising energy prices have resulted in higher inflation across countries.

The global economy is predicted to be weaker in 2022 than originally anticipated. The risk of new disruptive COVID variants has the potential to prolong the pandemic while also causing fresh economic impacts. Furthermore, supply chain disruptions, energy price volatility, and localized wage pressures all contribute to a high level of uncertainty about inflation and policy directions.

India is the second-largest producer of Polyester globally. Polyester makes up roughly 77.5% of the total domestic MMF (Man-Made Fibre) sector in terms of volume. MMF is generally used to make non-cotton and blended fabrics, which are then utilized in ready-to-wear clothing, home textiles, and other industrial textiles. MMF textile Industry in India is poised to grow at 5-6% YoY. India stands 6th in exports of MMF textiles accounting for 16% of the share in the global MMF textile market.

INDIA-ECONOMIC OVERVIEW

India's economy has recovered significantly in 2021 with a growth of 8.9% in GDP compared to a decline of -6.6% in 2020 due to the pandemic.

Inflation has risen in 2021-22 driven by rise in prices of crude oil, food items, chemicals etc. The overall Wholesale Price Index (WPI) has increased by 13% in FY 2021-22 compared to FY 2020-21. Inflationary pressures have further intensified with the prolonging of Russia, Ukraine conflict with further rise in energy prices.

TEXTILE INDUSTRY SCENARIO

Global Textile & Apparel Trade has rebounded from 2020 and reached US\$ 830 bn in 2021, growing by 7.2%. Global trade is expected to further grow and reach US\$ 1 trillion by 2025, growing at a CAGR of 4.8%.

Globally the demand for polyester-based textiles is growing faster than cotton. Currently, polyester accounts for more than 55% of the total fiber consumption in the world. Polyester fiber consumption is expected to grow by another 22 million tons to reach a level of 78 million tons annually and will form a share of 60% of global fiber consumption of 130 million tons by 2025. In 2020, the global trade of Polyester Yarn stood at US\$ 13.4 billion. Polyester yarn has been growing at a CAGR of 14% since 2015. India has a production of 3,934 million kg of polyester filament yarn.

Increased use in nonwovens and technical textiles, changing consumer trends such as an increased emphasis on fitness and hygiene, rising brand consciousness, rapidly changing fashion trends, and increasing women's participation in the workforce are all expected to boost demand for manmade fibres in India.

Strong policy support from the government, leads to bright prospects for the MMF market in India. By 2040, it is expected that the consumption of Polyester globally will be approximately three times that of cotton fibre. Hence, MMF will be one of the most attractive segments for future investments.

Rationalization of GST on the manmade fibre value chain will help to boost the growth of the manmade fibre sector. Adoption of PLI Scheme for textiles is aimed at growing MMF and Technical Textiles components of Textiles Value Chain.

OPPORTUNITIES AND THREATS

Realising the growth potential in the special fabrics for luggage Industry and technical textiles, the Company has allocated a larger capacity towards making these yarns. Presently, the Industry employs around 45 Million persons directly and around 60 Million people indirectly. The Industry is expected to grow at 5 to 6 % per annum in the next five years. Your Company is expected to benefit by the growth potential.

COMPANY REVIEW

The previous year was affected again by the pandemic. Small manufacturing units which had barely opened and were finding their place in the post-covid period, again shut down indefinitely. This continued for a very long period. The Industry gradually started opening up in the second half and there was all round recovery, thereafter.

The Companies were back into activity and the Government also gave its further support by providing one more tranche of GECL loans to the Industry. International trade, however, remained gloomy as the foreign buyers' positions remained unexplored and freight rates continue to rule very high.

Rising power cost was an area of concern, especially in Silvassa. Coal which is a significant input also recorded high price and its availability remained quite poor.

COMPANY OUTLOOK

The conditions in the market continued to remain adverse and the management had to really remain on toes to develop new yarns and customers in the domestic and international markets. The pandemic has again caused a lockdown in many areas, however, the same is showing recovery. The management is striving on the task of improving the working.

RISK MANAGEMENT

The ongoing pandemic and similar natural calamities, go uncovered by any management policy as they involve absolute vagaries. The Company has a Risk Management Policy and Procedure in place to identify and prioritise risk, selection of appropriate mitigation strategy and reporting process. The common risks inter alia, are: regulations, competition, business risk, technology obsolescence, foreign exchange exposure, commodity price risks, investments, retention of talent and expansion of facilities. Apart from the above the Company also faces requirement of market substitution between domestic and international due to the uncertainty of accessibility.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCE AND INDUSTRIAL RELATIONS

As on March 31, 2022 the Company had 75 permanent employees at its manufacturing plants and administrative offices. The Company recognises the importance of Human Resource as a key asset instrumental in its growth. The Company believes in acquisition, retention and growth of talented team players. The Industrial Relations in the Company are satisfactory and cordial.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an internal control system in place which is commensurate with the size and nature of the business. The internal controls are aligned with statutory requirements and designed to safeguard the assets of the Company. The Management reviews and strengthens the controls periodically. Apart from self monitoring of the internal controls, there is an independent Chartered Accountant firm appointed to conduct internal audit of the Company's operations. The Statutory Auditors present their observations to the Audit Committee on financial statements including the financial reporting system. The Audit Committee takes due cognisance of the observations made by the auditors and gives their suggestions for improvement. The suggestions of the Audit Committee further ensure the quality and adequacy of the control systems.

INDEPENDENT AUDITORS' REPORT

To the Members of Supertex Industries Limited

Report on the Audit of the standalone financial statements

Opinion

We have audited the accompanying financial statements of Supertex Industries Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules,2015,as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Sr. No.	Key Audit Matter	Auditor's Response
1	Valuation of Inventories (a) Revenue recognition (as described in Note 1(b)(d) of the Ind AS financial statements) Revenue from sales is recognised when control of the products has transferred to the customer, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract or the acceptance provisions have lapsed. During the year ended March 31, 2022, the Company has	 How our audit addressed the key audit matter Principal Audit Procedures Considered Company's revenue recognition policy and its compliance in terms of Ind AS 115 'Revenue from contracts with customers'. Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition. Tested samples of individual sales transaction and traced to sales invoices, sales orders, (received from customers) and other related documents. Further, in respect of the samples tested, checked recognition of revenue in accordance with the terms / when the conditions for revenue recognitions are satisfied.

Sr. No.	Key Audit Matter	Auditor's Response
	recognised total revenue amounting to Rs 6,698.56 lacs. Terms of sales arrangements, including the timing of transfer of control, delivery specifications including incoterms in case of exports, timing of recognition of sales require significant judgment in determining revenues. The risk is, therefore, that revenue may not get recognised in the correct period. Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from contracts with customers', it has been determined to be a key audit matter in our audit of the Ind AS financial statements.	 How our audit addressed the key audit matter Selected sample of sales transactions made pre and post-year end, agreed the period of revenue recognition to underlying documents. 1) Performed procedures to identify any unusual trends of revenue recognition. 2) Assessed the relevant disclosures made within the Ind AS financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Chairman's report on Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to
 provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for
 one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section143(3)(i)of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in(i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the IndAS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the

operating effectiveness of such controls refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act as amended in our opinion and to the best of our information and according to the explanations given to us the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2022.
- iv. (a) The Management has represented that to the best of its knowledge and belief as disclosed in the notes to the accounts no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies) including foreign entities ("Intermediaries") with the understanding whether recorded in writing or otherwise that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented that to the best of its knowledge and belief as disclosed in the notes to accounts no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies)including foreign entities ("Funding Parties") with the understanding whether recorded in writing or otherwise that the Company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provide under (a) &(b) above contain any material mis-statement.
- v. The company has not declared/paid dividend during the year.
- 3. As required by the Companies (Auditor's Report) Order 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO INDEPENDENT AUDITOR'S REPORTS

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Supertex Industries Limited of even date)

With reference to the Annexure A referred to in the Independent Auditor's Report to the members of the Company on the financial statements for the year ended 31 March 2022, we report the following:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (a) (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) Property, Plant and Equipment have been physically verified by the management during the year which is reasonable having regard to the size of the Company and the nature of its assets and no material discrepancies were identified on such verification.
 - (c) According to the information and explanations given by the management and audit procedures performed by us, the title deeds of immovable properties included in property, plant and equipment and investment properties are held in the name of the Company, (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.

Immovable properties of land & buildings whose title deeds have been pledged as security for loans are held in the name of the company based on the confirmation received from the management

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2022.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed on such physical verification.
 - (b) As disclosed in Note 30 to the financial statements, the Company has been sanctioned working capital limits in excess of rupees five crores in aggregate from banks during the year on the basis of security of current assets of the Company. The quarterly returns/statements filed by the Company with such banks are in agreement with the books of account of the Company except the following:

Quarter	Name of Bank	Particulars of Securities provided	Amount (in Lakhs) as per Books of Account	Amount (in Lakhs) as reported in the Quarterly Return/ Statement	Amount (in Lakhs) of difference	Reason for material discrepancies

 - (f) The Company has not granted any loans or advances in the nature of loans to Promoters/Related Parties which are either repayable on demand or without specifying any terms or period of repayment.
- (iv) The Company has not granted any loans or provided any guarantees or security to the parties covered under section 185 of the Act. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Act, with respect to the loans given, investments made, guarantees

given and security provided, as applicable

- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacture of certain textile products and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into Goods and Services Tax ("GST")

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted/accrued in the books of accounts in respect of undisputed statutory dues including GST, Provident fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other statutory dues have been generally regularly deposited by the Company with the appropriate authorities with delays on some instances

According to the information and explanations given to us, no undisputed amounts payable in respect of GST, Provident fund, Employees' State Insurance, Income-Tax, Duty of Customs, Cess and other material Statutory dues were in arrears as at 31st March 2022 for a period more than 6 months from the date they became payable

(b) Details of statutory dues referred to in sub clause (a) above which have not been deposited as on March 31, 2022 on account of disputes are given below. (`lakhs)

Name of Statute	Nature of Dues		Period to which the amount relates	Amount Paid in Protest/Appeal	Forum where the dispute is pending
Income Tax Act 1961	Income Tax	48.44	A.Y. 2013-14	Nil	Commisioner of Income Tax (Appeals), Mumbai

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (c) Term loans were applied for the purpose for which the loans were obtained.
 - (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
 - (e) The Company did not have Subsidiary, Joint venture and Associates during the year and hence, reporting under clause (ix) (e) is not applicable.
 - (f) The Company did not have Subsidiary, Joint venture and Associates during the year and hence, reporting under clause (ix), (f) is not applicable.
- (x) (a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
 - (b) The Company has not made any preferential allotment / private placement of shares / fully / partly / optionally convertible debentures during the year.
- (xi) (a) The Company has not made any preferential allotment / private placement of shares / fully / partly / optionally convertible debentures during the year.
 - (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost

auditor/secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) In our opinion, the Company is not a nidhi company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
 - (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) According to the information and explanation given by the management, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. ANNEXURE - B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Supertex Industries Limited("the Company") as of March 31, 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However efforts for further strengthening the internal control is needed.

Note No 1. SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2022

1. (a) Corporate Information: Supertex Industries Limited was formed in 1986 is a Company limited by shares incorporated and domiciled in India. It is engaged in the manufacture of draw warped and sized yarn beams of polyester and nylon. It also manufactures textured and twisted yarns of polyester and nylon. The Company also exports these yarns and trades in textile fabrics.

1. (b) Significant Accounting Policies:

(a) Basis of Preparation of Financial Statements:

These financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and presentation requirement of Division II of Schedule III of the Companies Act 2013, (Ind AS Compliant Schedule III) as applicable to financial statement.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Financial Statements').

The financial statements of the Company for the year ended 31st March 2022 were approved for issue in accordance with the resolution of the Board of Directors on 30th May 2022.

The financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value:

- 1. Financial instruments measured at fair value through profit and loss
- 2. Defined benefit plans plan asset value through other comprehensive income
- (b) Classification of Assets and Liabilities as Current and Non-Current: All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained its operating cycle to be 12 months for the purpose of current/non-current classification of assets and liabilities.
- (c) Basis of measurement: The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.
- (i) Measurement of Fair Values: The Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:
- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the assets or liability.
 All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (Level 3 inputs).
- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The Company has consistently applied the following accounting policies to all periods presented in these financial statements.

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgments in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.

(ii) Use of estimates and judgments: The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting

estimates are recognized in the period in which the estimate is revised and future periods affected.

Key sources of estimation of uncertainty at the date of financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of useful lives of property, plant and equipment and fair value of financial assets/liabilities.

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

(iii) Useful lives of property, plant and equipment: The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This re-assessment may result in change in depreciation expense in future periods.

(d) Revenue Recognition:

- (i) **Sales revenue** is recognized on transfer of the significant risks and rewards of ownership of the goods to the buyer. Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as Revenue are net of VAT/GST, trade discounts and rebates.
- (ii) **Interest income** is recognized using effective interest rate method and on time proportion basis taking into account the amount outstanding and the interest rate applicable.
- (e) Borrowing Costs: Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of the assets upto the date the asset is ready for their intended use. All other borrowing costs are recognised in the Profit and Loss in the year in which they are incurred.
- (f) Inventories: Raw material is valued at weighted average cost, stock in process at manufacturing cost based on weighted average cost of raw material and overheads upto relevant stage of completion, stores and spares at cost and finished goods at lower of cost of production and net realisable value. Purchased finished goods are valued at cost and by-products and waste are valued at net realisable value. Obsolete, defective, slow moving and unserviceable inventories, if any, are duly provided for.
- (g) Property, Plant and Equipment: Items of property, plant and equipment are stated in balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any. When parts of an item of property, plant and equipment have different useful lives, they are accounted for as

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Asset Category	No. of Years
Buildings	30-60
Plant and equipment	5-25
Plant and equipment – Computers	3-5
Furniture and fixtures	10
Office Equipment	3-5
Vehicles	8

(i) The estimated useful lives are as follows:

(ii) **De-recognition:** An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of property, plant and equipment and is recognised in profit or loss.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and Capital work-inprogress) less their residual values on straight-line method over their useful lives as indicated in Part C of Schedule II of the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

(h) Intangible assets: Identifiable intangible assets are recognized when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be measured reliably.

The intangible assets are initially recognised at cost. These assets having finite useful life are carried at cost less accumulated amortization and any impairment losses. Amortisation is computed using the straight-line method over the expected useful life of intangible assets.

The Company has established has estimated of useful lives of different categories of Intangible assets as follows:

- i) Softwares: are amortized over the period of license, generally not exceeding five years.
- (i) **Financial instruments:** A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.
- (j) Investment and other financial assets:
- a) Initial recognition and measurement: All financial assets are recognised initially at fair value plus, in the case of

financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

- b) Subsequent measurement: For purposes of subsequent measurement, financial assets are classified in Three categories:
- i. Financial assets measured at amortised cost
- ii. Financial assets measured at fair value through other comprehensive income (FVTOCI)
- iii. Financial assets measured at fair value through profit or loss (FVTPL)
- i. A financial asset that meets the following two conditions is measured at amortized cost.
- Business Model test: The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Cash flow characteristics test: Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- ii. A financial asset that meets the following two conditions is measured at fair value through OCI:-
- Business Model test: The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- Cash flow characteristics test: The contractual terms of the instrument give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.
- iii. All other financial assets are measured at fair value through profit and loss.
- c) Equity Instruments: All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the profit or loss.

- d) Derecognition: A financial asset is primarily derecognised (i.e. removed from the Company's balance sheet) when:
- a) The contractual rights to receive cash flows from the asset have expired, or
- b) The Company has transferred substantially all the risks and rewards of the asset, or
- c) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in OCI and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

(ii) Financial liabilities:

- a) **Initial recognition and measurement:** All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.
- b) **Subsequent measurement:** All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.
- c) Financial liabilities at fair value through profit or loss: Financial liabilities are classified as at FVTPL when the financial liability is held for trading or is designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred principally for the purpose of repurchasing in the near term or on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking. This category also includes derivative entered into by the Company that are not designated and effective as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognised in the profit or loss.
- d) Derecognition: A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and

payable is recognised in profit or loss.

e) Derivative financial instruments:

Initial recognition and subsequent measurement: The Company uses derivative financial instruments, such as forward currency contracts, full currency swap, options and interest rate swaps to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss

(k) Leases:

As a lessee: Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease or other systematic basis more representative of the time pattern of the user's benefits.

(I) Income tax:

- a) Current Income Tax: Income tax expense consists of current and deferred tax. Income tax expense is recognised in profit or loss except to the extent that it relates to items recognised in OCI or directly in equity, in which case it is recognised in OCI or directly in equity in equity respectively. Current tax is the expected tax payable on the taxable profit for the year, using tax rates enacted or substantively enacted by the end of the reporting period, and any adjustment to tax payable in respect of previous years. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.
- b) **Deferred Tax:** Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets and liabilities are offset if there is a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised. Withholding tax arising out of payment of dividends to shareholders under the Indian Income tax regulations is not considered as tax expense for the Company and all such taxes are recognised in the statement of changes in equity as part of the associated dividend payment.

Minimum Alternate Tax ('MAT') credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(m) Foreign currency transactions: Transactions in foreign currencies are translated to the respective functional currencies of entities within the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in the consolidated income statement in the period in which they arise.

When several exchange rates are available, the rate used is that at which the future cash flows represented by the transaction or balance could have been settled if those cash flows had occurred at the measurement date.

- (n) Cash and cash equivalents: Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and Fixed deposits. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and fixed deposits, as defined above.
- (o) Earnings per Share: Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares as above and also the weighted average number of equity shares upon conversion of all dilutive potential equity shares.
- (p) Employees benefits:
- (i) Defined benefit plans: The liability in respect of defined benefit plans is calculated using the projected unit credit method with actuarial valuations being carried out at the end of each annual reporting period. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds. The currency and term of the government

SUPERTEX INDUSTRIES LIMITED

bonds shall be consistent with the currency and estimated term of the post-employment benefit obligations. The current service cost of the defined benefit plan, recognised in the profit or loss as employee benefits expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognised in profit or loss in the period of a plan amendment. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in profit or loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to OCI in the period in which they arise and is reflected immediately in retained earnings and is not reclassified to profit or loss.

(ii) Short-term and Other long-term employee benefits: A liability is recognised for benefits accruing to employees in respect of wages and salaries, and casual leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

The Company's net obligation in respect of other long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and previous periods. That benefit is discounted to determine its present value.

- (iii) **Defined contribution plans:** The Company's contributions to defined contribution plans are recognised as an expense as and when the services are received from the employees entitling them to the contributions.
- (q) Impairment of Assets:
- (i) Impairment of financial assets: The Company applies the Expected Credit Loss (ECL) model for recognizing Impairment Loss on financial Assets. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in a prior accounting period is reversed if there has been a change in the estimate of the recoverable amount.
- (ii) Impairment of non-financial assets: The carrying amounts of the Company's PPE and intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated in order to determine the extent of the impairment loss, if any.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell.

An impairment loss is recognised in the profit or loss if the estimated recoverable amount of an asset or its cash generating unit is lower than its carrying amount. Impairment losses recognised in respect of cash-generating units are allocated to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

In respect of other asset, impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

- (r) Provisions, contingent liabilities and contingent assets:
- (i) Provision: is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are determined (as provided/charged to the Statement of Profit and Loss) based on estimate of the amount required to settle the obligation at the Balance Sheet date and are not discounted to present value.
- (ii) **Contingent Liabilities:** are not recognized but are disclosed in the financial statements. Claims against the Company where the possibility of materialization is remote are not considered as contingent liabilities.
- (iii) Contingent Assets: are neither recognized nor disclosed in the financial statements.
- (s) Segment Reporting: The Company deals in only one product i.e. "Textiles". The Company has identified and reported two reportable operating segments, "Domestic" and "International" in accordance with the requirements of Ind-AS 108.

Operating Segment: Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker of the Company is responsible for allocating resources and assessing performance of the operating segments and accordingly is identified as the chief operating decision maker.

The Chief Operational Decision Maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the financial statements. The Operating segments have been identified on the basis of the nature of products/services.

i) Segment revenue includes sales and other income directly identifiable with the segment including intersegment revenue.

- ii) Expenses that are directly identifiable with the segments are considered for determining the segment results. Expenses which relate to the Group as a whole and not allocable to segments are included under unallocable expenditure.
- iii) Income which relates to the Group as a whole and not allocable to segments is included in unallocable income.
- iv) Segment result includes margins on inter-segment and sales which are reduced in arriving at the profit before tax of the Group.
- Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable assets
 and liabilities represent the assets and liabilities that relate to the Group as a whole and not allocable to any
 segment.
- (t) Other Disclosure:
- a. There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- b. The Company has not entered into any transactions with struck off companies during the year.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

- 12.2 The Company has a Working Capital limit of `1750 Lakhs from Axis Bank, comprising of Fund-based limits of `1250 Lakhs and non-fund-based limits of `500 Lakhs. For the said facility, the Company has submitted Stock and debtors statement to the bank on monthly basis as also the Quarterly Information Statements.
- 12.3 Capital management : The Company's capital requirement is mainly to fund its capacity expansion and repayment of principal and interest on its borrowings. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings. The Company is not subject to any externally imposed capital requirements
- 12.4 In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.
- 12.5 The Company monitors its Capital using Gearing ratio, which is Net Debt divided to Total Equity. Net Debt includes, Interest bearing Loans and Borrowings less Cash and Cash Equivalents, Bank balance other than Cash and Cash Equivalents and Current Investments.

36 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk;
- Market risk;
- Currency risk; and
- Interest Rate Risk.

(i) Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The board of directors is responsible for developing and monitoring the Company risk management policies.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks

faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

(ii) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Trade and other receivables :

The customer credit risk is managed by requiring domestic and export customers to pay advances before transfer of ownership, therefore substantially eliminating the Company's credit risk in this respect.

Based on prior experience and an assessment of the current economic environment, management believes that no provision is required for credit risk wherever credit is extended to customers.

(iii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has obtained fund and non-fund based working capital lines from the bank. The Company also constantly monitors funding options available in the debt and capital markets with a view to maintaining financial flexibility.

Exposure to liquidity risk :

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

* all non derivative financial liabilities

* net and gross settled derivative financial instruments for which the contractual maturities are essential for the understanding of the timing of the cash flows.

(iv) Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

(v) Currency risk:

The company is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchase, other expenses and borrowings are denominated and the functional currency of the company. The functional currency of the company is Indian Rupees (INR). The currencies in which these transactions are primarily denominated are USD.

From time to time, the Company uses forward exchange contracts to hedge its currency risk.

The Company, as per its risk management policy, uses foreign exchange forward contract primarily to hedge foreign exchange. The Company does not use derivative financial instruments for trading or speculative purposes.

(vi) Interest Rate Risk:

a) Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The Company has exposure to interest rate risk, arising principally on changes in base lending rate. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

The profile of the Group's fixed and floating rate borrowings is given below: b)

(Rs. in Lakhs)

Particulars	31st March, 2022	31st March, 2021
Variable interest rate borrowings	1,481.07	1,481.84
Fixed interest rate borrowings	868.15	964.78

Interest rate sensitivity

If interest rates had been 50 basis points higher/lower and all other variables were held constant, following is the impact on profit and pre-tax equity. A positive effect is decrease in profit and negative effect is increase in profit.
